Ane Lyngsgaard is the manager of Pileriet, a training center for basketry since 2000. The center is mostly occupied by teaching the old weaving techniques used in a contemporary design as well as teaching the students to find their own unique form and design. Ane has worked with basketry since 1993. She has taught basketry and organized courses full-time since 2000. Ane is educated as a teacher in 1885 and as an artist from Artschool - Århus Kunstakademi in 1996.
